MACZETTO

For Prostate Health

750mg *30 Capsule*

BENEFITS

- ✓ Very effective in increasing the strength of urine flow and controlling intermittent leakage.
- ✓ Reduces the frequency of urination and the urination urge specially at night time.
- ✓ Helps in relaxation of bladder neck muscle which makes urination easier and helps to empty the bladder completely.
- ✓ Reduces the size of prostate gland so that it unblocks the urethra from transporting the urine and to release it.
- ✓ It also helps to improve Sexual life.
- ✓ One Solution for all men with Prostate Problem
- ✓ Helpful in Prostate gland enlargement
- ✓ Very useful in prostatis & prostate infection

KEY INGREDIENTS:

- ✓ Saw Palmetto
- ✓ Curcumin

Dosage: 1 Capsule Twic a day
Preferably with luke warm water or as directed by the physician

Pile-O-Mac

30 Capsules

Ayurvedic Formula to Relieve From Piles Pain

EFFECTIVE FOR :

- Fissure,
- bleeding, anal swelling,
- irritation, burning sensation,
- pre & post operation use.

Neem:

Can help to prevent hemorrhoids by helping the body avoid constipation, a major cause of hemorrhoids. The anti-bacterial, anti-inflammatory and pain-relieving properties of Neem help to stop bleeding and itching and promote healing.

Kachur:

Is used for Skin related disorders, Haemmorhoids, Skin disorders, Piles

Harad:

It benefits the whole digestive tract. It is said to increase appetite, and improve digestion and absorption. It provides effective cure for piles.

Dosage

Capsule : 1-2 capsule twice a day or as directed by the physician.

TO FIGHT IN TOUGH SITUATIONS OF LIFE

CANHEAL

60 Capsules

Capsule

Dosage : As a directed by the physician

Curcumin:

A number of laboratory studies on cancer cells have shown that curcumin does have anticancer effects.
It seems to be able to kill cancer cells and prevent more from growing. It has the best effects on breast cancer, bowel cancer, stomach cancer and skin cancer cells

Sand Pushpa:

Its leaves and stems are a source of alkaloids that have anti tumor and anti cancer properties

Asfot:

Has the potential for anti-cancer therapy due to it differentiate target and non- inference with regular pathway of apoptosis

Vantrapushi:

The powdered roots have used to treat warts and tumorous growths on the skin

Piperidine:

Studies have shown that the piperine in black pepper exerts protective activity against numerous forms of cancer
